

## **The Genesis Foundation for Children Whistleblower Policy**

### **General**

The Genesis Foundation for Children (TGFC) Code of Ethics and Conduct (“Code”) requires directors, officers, and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of TGFC, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

### **Reporting Responsibility**

It is the responsibility of all directors, officers, and employees to comply with the Code and to report violations or suspected violations in accordance with this Whistleblower Policy.

### **No Retaliation**

No director, officer, or employee who in good faith reports a violation of the Code shall suffer harassment, retaliation, or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to, and including, termination of employment. The Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within TGFC prior to seeking resolution outside TGFC.

### **Reporting Violations**

The Code addresses TGFC’s open-door policy and suggests that employees share their questions, concerns, suggestions, or complaints with someone who can address them properly. In most cases, an employee’s supervisor is in the best position to address an area of concern; however, if you are not comfortable speaking with your supervisor or you are not satisfied with your supervisor’s response, you are encouraged to speak with someone in the Human Resources Department or anyone in management whom you are comfortable approaching. Supervisors and managers are required to report suspected violations of the Code of Conduct to TGFC’s Compliance Officer, who has specific and exclusive responsibility to investigate all reported violations. For suspected fraud, or when you are not satisfied or uncomfortable with following TGFC’s open-door policy, individuals should contact TGFC’s Compliance Officer directly.

## **Compliance Officer**

TGFC's Compliance Officer, Caroline Hobbs, is responsible for investigating and resolving all reported complaints and allegations concerning violations of the Code and, at his discretion, shall advise the Executive Director and/or the Executive Committee ("EC"). The Compliance Officer has direct access to the EC of the board of directors and is required to report to the EC at least annually on compliance activity

## **Accounting and Auditing Matters**

The EC of the board of directors shall address all reported concerns or complaints regarding corporate accounting practices, internal controls, or auditing. The Compliance Officer shall immediately notify the EC of any such complaint and work with the committee until the matter is resolved.

## **Acting in Good Faith**

Anyone filing a complaint concerning a violation or suspected violation of the Code must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of the Code. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

## **Confidentiality**

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

## **Handling of Reported Violations**

The Compliance Officer will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.
